Once in a lifetime.....

The past few years have brought about many varied changes for the school and its' students. Four years ago our school had incomplete and unfurnished classrooms.

Like the classrooms, the students were unaware of their future. The incoming freshmen, now seniors, had no idea of the educational benefits and social activities that would be made available to them. As the years passed, the school was completed and the minds of the bewildered freshmen grew wiser and more mature. The Class of 1966, after four years of work and pleasure, has grown to respect and admire Leigh High School.

This year's VINTAGE, therefore, is dedicated to the first four year graduating class, the Class of 1966.

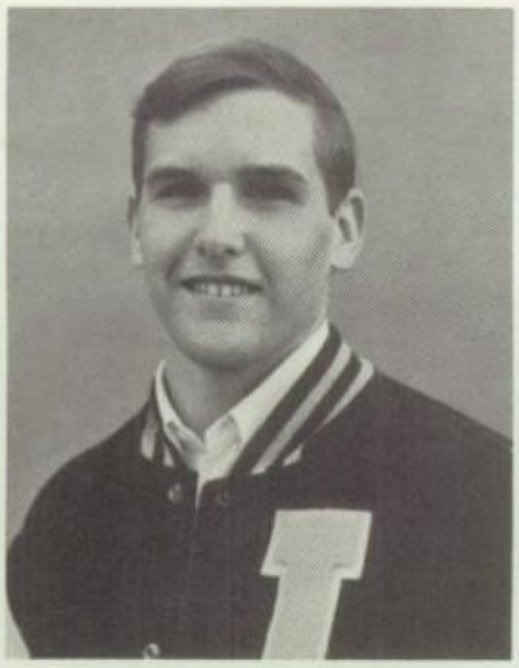
STUDENT GOVERNMENT

Student



Bart Owens
Student Body President

Our student body president for the fall of 1964, John Severance, compared Leigh High School's development to the building of a house. In this fine comparison, he asked that future student councils add the finishing touches. I believe that our fall council did just that.

One of the outstanding achievements was establishing the tradition of a queen, Miss Leigh High. In the future we must continue to make improvements and maintain our high standing in the Campbell Union High School District.

I would like to thank all of you, the more than 2100 students and the nine council members, for such great interest in our student government.

It has been stated that today's young people are bigger, stronger, healthier, more intelligent and more self-sufficient than ever before. Leigh's students are no exception. As you know—even among these better people—Leigh rules.

Sincerely,

Bart Owens

Council

Whether a participant or spectator, anyone interested in athletics knows that success is attained by the combined efforts of the team members. Realizing that success comes only when all concerned work toward a common goal, a player does his best all of the time. At Leigh this realization has taken place; herein lies the reason for the achievement of our goals.

Leigh's team members, freshmen to seniors, athletes and coaches, faculty and administrators, have all worked toward a common goal—Leigh's success—a success in scholarship, spirit, and athletics.

Graduates of Leigh High School are doing exceptionally well in colleges throughout the country; a high percentage of these students have received academic scholarships.

In spirit Leigh has triumphed and as a result received the spirit trophy for two consecutive years. Of all the many championship teams in sports, Leigh's team ranks number one in the West Valley Athletic League.

Leigh's team has more than proven its capabilities for success. During the spring semester it has been an honor for me to represent this group.

Yours truly,

Bill Hites

The Longhorns had a year of frustrations. Injuries and accidents slowed the team which, although hindered, never gave up. Every game played—won or lost—was in the Longhorn spirit of good rock'em—sock'em football. Mud and guts were an integral part of our practice sessions and games.

At the Fourth Annual Fall Sports Awards Banquet the team picked Dennis Ewing as most valuable lineman, Fred Franco as most valuable back, Bob Huckaby as most inspirational player, and Bob Harris as most improved player. Our congratulations to these boys as well as to the rest of the squad for a season in the true Longhorn style.

Coach Adams: "For a team to place as high in League standings as we did with only three returning Lettermen is phenomenal. Our team was never outclassed, and in the Saratoga game we proved we could do battle with the best of them. Fast, hard, exciting Longhorn football made this year a success."

Front (l. to r.): Bill Mackey, Rich Dunn, Pat Simmons. Row 2: Jeff Nelson, Dennis Schaller, Keith Duvall, Craig Parker, Paul Melicker.

Leigh finished first in the West Valley League by outrunning seven other schools. This gave the Longhorns their fourth consecutive cross-country championship. Dennis Schaller set a new course record in the W.V.A.L. finals held at Vasona. Schaller stopped the watch in the miraculous time of 10:11, while Bill Mackey was a very close second in a 10:13 clocking, and Keith Duvall finished fourth.

At the National Postal Meet, the Varsity team landed ninth place in the United States while being fifth in Northern California. Leigh also had two individuals in the top ten of the nation: Schaller took seventh place while Mackey earned tenth place.

Coach Conway

Coach Conway stated that this year's Varsity Swim Team was the best in Leigh's history. In an outstanding year they added to their list of wins Bellarmine and San Jose State Freshmen.

The team lost only six graduating seniors, so many outstanding swimmers will return to spark the 1967 season.

Coach Morgan

This year, Leigh was the defending champion of the WVAL varsity track division. Having the championship awarded on the basis of dual meets, the varsity had to settle for second place. Most of the team will return next year with such league greats as Rich Dunn and Dan Willis in the triple jump and broad jump, Eric Pousard in the high jump, Mike Marks in the shot and discus, and distance runners Keith Duvall, Bill Mackey, and Dennis Schaller. Some fine seniors will be missed next year in pole vaulters Bill Hites and Pete Boyd, hurdlers Bob Tyrrell and Dave Engel, and sprint-middle-distance aces Dick Perez and Mike Gragg.

The "B's" also lost the championship on the dual meet basis, but with the return of Jeff Lee, they put down the championship Westmont squad in the finals. Brian Stollery, a transfer from New York, was the main stay-by remaining undefeated in both the 100 yard and 220 yard races through the season.

The "C's" and "D's" showed need for more seasoning by finishing midway in the final standings.

Dear Leigh High,

This is the way I feel about you:

E — eager to compete

I — individual in recognition
G — gracious to its hosts

H — high in scholastic standards

You have made this year the highlight of my life.

Yours ever,

Luxembourg

Dear Leigh,

The tiny Grand Duchy of Luxembourg is an integral part of my life. How I came to call it home is the story of my selection as Leigh's first "Americans Abroad" student. Naturally, I was thrilled with the news of my selection, and I realized that great confidence had been placed in me.

During my stay, I came to understand the American Field Service motto more fully.

"Walk together, talk
together,
O ye people of the earth:
Then, and only then,
Shall ye have peace."

Understanding is the cornerstone of peace, and through programs such as A.F.S., this goal is reached. I thank you of Leigh High School for giving me the privilege of representing you.

Sincerely,

Kathie Beers
